Thanks to the support of many, The Community Arts Theater Society broke ground in 2008 for its very own Warehouse Theater located in Big Bear City! We are well on our way to realizing our dreams. Thanks to the hard work and generosity of many of our volunteers, we have accomplished the “warehouse” portion of our title, and have moved out of rental storage space, and our props, sets and costumes are now “ensconced” in our wonderful new Warehouse space. Our current goal is to raise enough money to begin Phase 2: Building out the second story, and outfitting the “theater” portion of our title. We have construction loans of \$100,000 from Phase 1 to continue to pay, and we will need to raise an additional estimated \$150,000 to do Phase 2. With your financial help, CATS will create a flexible “black-box” theater space within the building, with a place for classes, workshops, children’s theater and small scale productions where CATS can produce shows more frequently.

Even though CATS is an all-volunteer organization, CATS has become a major economic force in the Big Bear Valley. For over 15 years, theater patrons have traveled up-the-hill just to see our quality productions, bringing thousands of dollars a year to the Valley. We will continue to produce our major productions each year at the PAC. But with CATS Warehouse Theater, we will have even more opportunities to bring business to the Big Bear Valley, increased opportunities for all ages from 4 to 92+ to participate, and to bring additional quality entertainment to the Valley! Our dream can soon be a reality, and your financial assistance in accomplishing this goal would be greatly appreciated. *All donations are tax deductible.*

Drive by 1117 W. Big Bear Blvd. and see what you have already helped us to accomplish! WE THANK YOU!
